these readings are organized into four sections the first explores the wellsprings of the debates in the relationship between the postmodern and the enterprise it both continues and contravenes modernism here philosophers social and political commentators as well as cultural and literary analysts present controversial background essays on the complex history of postmodernism the readings in the second section debate the possibility or desirability of trying to define the postmodern given its cultural agenda of decentering challenging even undermining the guiding master narratives of western culture the

readings in the third section explore postmodernism's complicated complicity with these very narratives while the fourth section moves from theory to practice in order to investigate in a variety of fields the common denominators of the postmodern condition in action

Ulysses too has been inadequately served by modernist critics where they have emphasized the work's ingenious Homeric structure Dettmar focuses instead upon its seams those points at which the narrative willfully joyfully overflows its self-imposed bounds

practical criticism of three classic or soon to be classic children's books Maurice Sendak's *Where the Wild Things Are*, E. B. White's *Charlotte's Web*, and Chris Van Allsburg's *The Mysteries of Harris Burdick* provides the substance of the nimble reader McGillis employs these texts as well as others to explain the basic tenets and processes of criticism and to discuss criticism's usefulness in enhancing our understanding of children's literature he skillfully balances theoretical discussions of various types of criticism archetypal psychoanalytical political structuralist poststructuralist reader response and the new criticism with practical analysis of his primary texts and other works with his engaging choice of texts emphasis on practical criticism and inclusion of bibliographies of both children's literature and works on literary theory and criticism McGillis has succeeded in producing a dual purpose volume the nimble reader not only demonstrates a new approach to children's literature as a serious object of study but also represents one of the clearest presentations of literary theory published to date

the author presents a two-tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably Friedrich Nietzsche Michel Foucault Jacques Derrida François Lyotard and Richard Rorty he concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system annotation copyrighted by Book News Inc Portland OR

Ezra Pound the poet called the contemporary of our grandchildren has exercised enormous influence on the development of American poetry and criticism this impact on the world of letters is only grudgingly acknowledged today since it comes from a poet tainted by fascism and anti-Semitism this book follows the contours of our love for his poetics and hate for his politics juxtaposing Pound's work to postmodern theory the contrasts prevail in the relation of language to reality in the moral and political commitments and in the vision of history at the same time Pound's poetic practices particularly his collage techniques and series of Englishes overflowed his political ideology it is this overflow that makes him so fascinating to intellectuals and the

main reason we study his work with respect now
