 of our culture offering a christian evaluation of each in this revised and expanded edition the
 author has updated his introductory remarks about each ethical system and has included new
 chapters on evolutionary ethics and narrative ethics

in this in depth thoughtful look at the nation s moral health prominent ethics professor anita
 allen offers a brilliant take on modern day ethics in a world turned upside down

a picture may be worth a thousand words but a few choice words can speak volumes if
 ignorance is bliss why aren t more people happy bottled water is for suckers clones are people
 too at least the war on the environment is going well don t believe everything you think the
 revolution will be tweeted long before blogs tweets and sound bites people were telling the
 world how they felt in brief blunt bursts of information plastered on the backs of their cars
 whether they re political or religious passionate or proud controversial or corny these brightly
 colored boldly lettered mini manifestos are declarations of who we are where we stand and
 what we d rather be doing but as bestselling author and noted philosopher jack bowen reveals
 there s much more to the pop culture phenomenon of bumper stickers than rolling one liners
 and drive by propaganda no less in fact than a wise funny poignant contentious and truthful
 discourse on the human condition mixing pop culture with the ideas of historically prominent

philosophers and scientists if you can read this exposes the deeper wisdom couched behind these slogans or as need be exposes where they have gone wrong if you brake for big ideas now s the time
